SALES & SERVICE

2023-2024 Winter Land Storage

Your Land Storage Agreement is attached. This agreement is only for those of you who are interested in storing with us over the winter. Your Service request form will be found in the Winterization packet was already sent out.

Please complete this agreement, sign bottom of 1st page, initial bottom of 2nd & 3rd pages and return all pages along with payment to guarantee a space in the storage lot. We offer a payment option, 50% with the land storage agreement and the 50% balance payable in November. Storage space will not be secured for your boat without both agreement and payment.

When working on your boat in the yard, remember to park your vehicle outside the gate entrance – **no vehicles permitted in the storage lot.** Also, please remember to properly dispose of your trash.

While the boat remains on the property, insurance is mandatory. Please verify with Kaylee admin@foxchapelmarine.com that we have a current copy of your Insurance Declaration Page on file. It is important to update us whenever you renew or change carriers. **If you have no insurance or allow it to lapse, your boat will have to be removed from the property immediately solely at your expense. This will include any fees for Fox Chapel to move any surrounding boats so you can access yours.**

If you should have any questions, feel free to let us know by email or phone.
Thank you
